

# IRC LEADERSHIP RETREAT

**Thursday, July 11, 2024**

ISU Alumni Center

9:00 am to 4:00 pm

This year’s leadership will again use an **EdCamp Model** after the IRC Board of Directors Meeting to help council leaders collaboratively learn together and make plans for the next year. EdCamps encourage participants to facilitate sessions by sharing experiences. The focus of an EdCamp is to encourage conversations rather than sitting through planned presentations. The session topics will be sourced from you. Check out this [jamboard](#) and add a “sticky note” help us start gathering ideas. After the board meeting, we will add any other ideas and construct the schedule for the day.

## IRC Board of Directors Meeting
